# THE GREYFRIARS HIKERS

by Frank Richards

Considered by Hamiltonian experts to be the best English holiday series ever written by Frank Richards. The stories are infused with a tremendous air of freshness and vitality.

Redolent of the English summers of yesteryear, the writing is so skilful and evocative that the reader can practically feel the sun on his face... Week by week the Greyfriars juniors visit contrasting parts of the country. Their adventures range from involvement in a title war in Sussex to the haunted castle in Oxfordshire, culminating in a dramatic kidnaping by outlaw gypsies on the Yorkshire moors.

An extra-large bumper volume. Featuring Harry Wharton & Co., Billy Bunter, Lord Mastulever, Vernon-Smith, Horace Coker, Cecil Ponsonby and many others.

The titles include: Micky the Sprat, The Greyfriars Hikers, The Hunted Hikers, The Spectre of Hoard Castle, Coker the Hiker, The Kidnapped Hiker, The Hiker Prisoner, The Bounder's Capture, The Secret of the Holiday Annual.

Magnet issues Nos 1311 to 1340  
June 1973 £2.75  
in U.K. only

# THE BOYS OF ST JIM'S

by Martin Clifford

A collection of Gems, some original late stories, some reprints from as early as 1918, all in the nearer-to-modern format of the late thirties. Vintage Hamilton.

The titles include: Tom Merry's Boast, The St Jim's Surprise Packet, The Snob's Lesson, The Boy from New Zealand, Manners' Feud, From Foe to Friend, Gussy's Big Gamble.

Cedar Creek stories by Martin Clifford (Frank Richards' schooldays in Canada).

Tales of the School Ship 'Benbow' by Owen Conquest (of Rookwood memory).

Gem issues Nos 1612 to 1618  
July 1973 £2.75  
in U.K. only

# GREYFRIARS PRESS BOOKS

## ALONZO THE GREAT

by Frank Richards

This remarkable series provides a fascinating contrast to Frank Richards' usual style. It concerns a slightly dotty professor who invents an elixir which endows the recipients with superhuman strength. The most interesting aspect is the way in which two newly privileged, formerly physically-deprived members of the Remove use their new-found powers. Alonzo Todd, the 'weed' of the Form becomes bossy and interfering from the best of motives, while the archetypal coward, Billy Bunter, develops into a domineering tyrant from the worst of motives. (All power corrupts...?) An hilarious series that will linger long in the memory and demonstrates again the versatile genius of Frank Richards.

Well might The Financial Times say: 'The sociological value is immense...'  
Plus two singles: ACE OF JOKERS, featuring William Wibley, the actor of the Remove, and THE GREYFRIARS GUY, highlighting Vernon-Smith and Horace Coker.

The other titles include: The Greyfriars Strong Man, Alonzo the Great, The Greyfriars Hercules, The Reformer of the Remove, Bunter the Bully.  
Magnet issues Nos 1341 and 1342  
1944 to 1948

SBN No 7030 0032 2 August 1973

**SPECIAL**. Produced in a limited edition (one hundred numbered copies) for dedicated collectors: **THE GREYFRIARS DOUBLE** by Frank Richards Twelve issues comprising the entire Stacey/Wharton series. Specially bound in leather style casing with head-band. Gold-embossed on front and spine.

June 1973 £4.75  
in U.K. only

SBN No 7030 0036 5

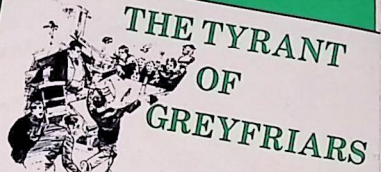

## THE GREYFRIARS HOLIDAY ANNUAL 1974

Best-ever collection of the most popular stories produced during the Golden Age of the juvenile/adult homology... a syndrome unique to the first half of the twentieth century.

Included are stories featuring Greyfriars, St Jim's, Rookwood, St Frank's, The Rio Kid, King of the Islands, Cliff House, Cedar Creek - and a few surprises!

Our last Greyfriars Holiday Annual was the best-seller of the year's G.P. programme. Predicting an even greater success for this latest volume.  
SBN No 7030 0033 0  
September 1973  
£2.75 in U.K. only

## THE TYRANT OF GREYFRIARS

by Frank Richards

Adjudged to be the greatest 'barring-out' series ever produced in The Magnet.  
The majority of the Board of Governors, headed by the peppery Sir Hilton Popper, attempt to force the resignation of Dr. Locke and introduce a new Headmaster in his place.

Resistance is pre-empted by a brutal attack on the Head, resulting in his hospitalisation. During his prolonged absence from the school a new Headmaster is appointed: Mr Meyer Brander, who proceeds to rule with an iron fist, supported by the worst Sixth Form bullies at Greyfriars. Floggings and expulsions galore follow, resulting in open rebellion at the school. Harry Wharton & Co. take to the barricades and defy all attempts to bring them to heel.

A tremendous tour de force.  
Titles include: The Hidden Hand, Tale-Bearer in Chief, The Greyfriars Rebellion, Down with the Tyrant, All Busy on the Greyfriars Front, Victory for the Rebels.

Plus a single: A Dog with a Bad Name!  
Magnet Nos 1169 to 1174, and No 1227
