### Corrections

No. 48, page 304, foot of col. 2: Arthur Harris informs us that Trapps, Holmes published seven comics, not four. With dates of first issues, they were:  
*Funny Cuts*—July 12, 1890  
*World's Comic*—July 2, 1892  
*Larks*—May 1, 1893  
*Halfpenny Comic*—Jan. 22, 1898

*Coloured Comic*—May 16, 1898  
*Smiles*—May 5, 1906  
*Picture Fun*—February 16, 1909

No. 50, page 330, 11th line from foot of col. 2, change to read: "Almost all the film-stories, after . . ."

THIS INDEX was compiled by Roger M. Jenkins, followed by an assist from the Editor in the form of a few additions and a little rearranging. By some odd misadventure the initial of Mr. Jenkins' middle name was omitted in one instance on page 347. Printing completed October 3, 1953.
