ABOUT THE FESTIVAL

This will be the second year of the festival, which was the idea of the Town Council to celebrate the town's famous sons and daughters.

The highlight of the inaugural 1998 festival was a visit by **Sir John Mills** who talked about his famous sister **Annette**, and her work with Muffin the Mule.

To book for the festival week, or to find out more information about our lovely town of Broadstairs, on the South East coast, contact the Tourist Information Office, 6b High Street, Broadstairs, Kent CT10 1LB. Tel: 01843 862242 or visit our web site at www.broadstairs.gov.uk.

An up-to-date **Newsletter** will be produced during the festival, giving background information and any last-minute programme details. Available at the Tourist Information Centre, Festival Centre, and Venues.

FRANK RICHARDS

Notes for members of The Collectors Digest

It is presumed that, despite the fact that the events are being held in the latter part of October, some members might well wish to stay overnight or perhaps for a few days.

The following notes are personal recommendations from someone who visits the town on an annual basis for the Dickens Festival, for which Broadstairs is famous.

Naveed Haque

OCTOBER 23 - 29 1999

CANADA

16 September 1999

Dear Naveed Haque

Thank you for your fax regarding our FRANK RICHARDS DAYS during the 1999 Celebrity Connections festival.

I am sorry that you are unable to attend the festival this year, I enclose a programme, although it gives only the bare bones of the events we are planning I am afraid.

The Frank Richards Collection will be on show at *Port Regis* (thought to be the original *Greyfriars*) and contains memorabilia donated to the town by Mr Bob Acraman, Chairman and Secretary of The Greyfriars Club. These items include:

A writing desk, typing desk, typewriter, stool, bookcase, cine camera, case and projector, Greyfriars plaque, photographs, many volumes of books, self-taught language books, printing plates, Opera music and words, novels, old newspaper copies, pages of sketches and artwork, postcards, chess and board games, and a small wooden box.

Mr John Wernham of the Charles Hamilton Museum in Kent may bring some items with him, but we do not know exactly what as yet.

I hope you find the enclosed programme of interest, and that when we feature Frank Richards again that you will be able to plan a visit. (I have taken the liberty of adding your name to our FR mailing list for the future) and have you visited our website yet at :

www.broadstairs.gov.uk

I also enclose some newspaper cuttings from last years festival which you may find a good read. Thank you for your interest.

Yours sincerely,

Pam Porritt
