ROSE LAWN,

KINGSGATE-ON-SEA,

BROADSTAIRS,

KENT.

Dear Maurice McLoughlin,

Many thanks for the "Swiss Roll" script, which I have duly given the once-over, --or, to be more exact, --the twice-over. It is a very entertaining romp, and should make anybody's Christmas merrier; and I am glad that W.G.B. is in such good hands. I shall hope that the show will be a tremendous success, and repeated Xmas after Xmas.

Thank you too for your very kind remarks about the article in Punch. Come to think of it, what a Minister of Education Mr. Mac is losing, if he only knew!

With kindest regards, and best wishes for Christmas and the Swiss Roll,

Yours very sincerely,

*Frank Richards*
